ROTATIONAL ATOMIZER WITH EXTERNAL HEATING SYSTEM

**REQUEST FOR DRAWING CHANGE APPROVAL & SUBMISSION OF  
FORMAL DRAWINGS**

MAIL STOP MISSING PARTS  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Please find one (1) sheet of formal drawings for the above-identified application. The formal drawings incorporate one change from the originally-filed, informal drawings. In particular, the text has been removed from Figure 2 and a reference numeral "117" has been added to reference the box from which the text was removed. This change has antecedent basis in the application as originally filed. In particular, the text previously shown in Figure 2, "Drehzahlregler," has been translated as "external rpm regulator" in the certified translation on page 6, lines 6-7. In the first Preliminary Amendment filed on August 28, 2003, the numeral "117" was added to refer to the external rpm regulator shown in Figure 2.

If additional fees are incurred because of this Request for Drawing Change Approval & Submission of Formal Drawings and is not included, the Commissioner is authorized to charge said additional fees, as well as credit any overpayments, to Deposit Account No. 08-2789 of Howard & Howard Attorneys, P.C.

Respectfully submitted,

HOWARD & HOWARD ATTORNEYS

January 23, 2004
